

SAP® Cloud Platform – Custom Domain

USE CASE:

Your company plans to deploy a custom domain to simplify the naming of the URL. The custom domain is active from January 15 to March 17.

CHARGES:

JANUARY	1 custom domain €100/domain = €100
FEBRUARY	1 custom domain €100/domain = €100
MARCH	1 custom domain €100/domain = €100

Domains are charged by the month, not by the day. Therefore, in January and March, the domain is charged at €100 although it is not used for the entire month.

The purpose of this document is to illustrate the price calculation. Since there could be changes to the service, including the pricing and the metric, this document is not a source for pricing information. Please check the pricing information on [SAP® Cloud Platform](#) and in the “[SAP Cloud Platform Service Description Guide](#).”
