

# SAP® Cloud Platform Document Service

## USE CASE:

Your customer needs 35 GB physical storage for documents within a Web application. A block size is 10, and with rounding, 35 GB will be charged as 4 blocks, or as 40 GB. The service is activated on January 10 and deactivated on February 15. In February, usage increased to 44 GB physical storage, which means that 50 GB (5 blocks) will be charged.

## CHARGES:

Note: 10 GB = 1 block

<b>JANUARY</b>	4 blocks   €10/block = €40
<b>FEBRUARY</b>	5 blocks   €10/block = €50

The purpose of this document is to illustrate the price calculation. Since there could be changes to the service, including the pricing and the metric, this document is not a source for pricing information. Please check the pricing information on [SAP® Cloud Platform](#) and in the "[SAP Cloud Platform Service Description Guide](#)."
